People in town go surfing every day. In town, there are several surfing centres. These surfing centres are called internet cafes or cyber cafes. Some people go to the public cafes that are cheaper. Such are owned by Government and so people can afford. The other cafes are privately owned. These are a bit expensive. Mostly, it's people with a lot of money that surf from there. They prefer such places because they don't want congested areas.

Accidents, the monster

We are fed up with you
Let me expose you today.

You have left everyone in misery
The old, the young
You have claimed their dear ones
Let me rebuke you today
So you can spare the road user's life
My friend the motorist
Care is what we need on the road
I talked to a motorcyclist

Arrest all careless road users
And take no bribe from the culprits
Remind them of the Highway Code
And charge them accordingly.
