MY HOME

A place I love most
Where I feel comfortable and secure
Where I am free to do anything I want
Oh! what a wonderful place!

A place one wouldn't love to leave
Not even a day or an hour
But many things make us leave it
Going for studies, For work
In order to earn a living.

A place I would love to offer
To all the homeless, the orphans
If I had enough money
If I had a voice to speak
For them in the parliament.

A place, God had given freely
To every living creature
But again snatched
By heartless and merciless people.
Government protect each creature's home
Because it is right to have a home.

55. Use the words provided in the box to fill in the gaps correctly.

easy, got, include, planned, need
kept, others, important, clothes, jobs.

In our lives there are many things we need.
These include food, water, clothes, shelter,
medical care and money. I think the most important one
is money because with it one can get all the others.
Money is not easy to get but people get it when
they have jobs or when they work hard. Once money
is got, it should be planned for well
and kept safely.
