A VISIT TO THE HOTEL

My name is Kato Enock. I go to Mutima Primary School. I am in Primary Six Jupiter. I like my class teacher of primary six, Mrs Katamba. Last year Mrs Katamba guided us to prepare for a long holiday. We made the holiday plans to show the activities we were to do during holidays. This helped us to think wisely about the productive activities to do. The teacher also guided us to come up with the best activities.

I chose to visit my grandmother in Kapiri Village. I wanted to learn different skills from my grandmother. She is good at making pots, baskets, ropes and mats. She does all these activities after gardening. She also has a very big farm. On her farm, she keeps goats, sheep and rabbits. The wastes from the animals are taken to the garden to improve on the soil fertility. The wastes also provide nutrients needed by crops. As soon as I reached her home, she took me around the farm. We made a routine we were to follow to help me learn all the skills.

I learnt taking care of animals. I also learnt making pots, baskets, mats and ropes. My grandmother allowed me to sell the things I made. I used the money I got it to buy a new uniform and paying half of my school fees. I really benefited from my visit to Kapiri Village.

MY BLACK GUITAR

How lovely you are!
My best friend ever
You accompany me in all situations
In joy and sorrow
I play you to give me comfort

My ninth birthday party last year
Made my dreams come true
Uncle Benson gave you to me
As a birthday gift
His speech at the party
As he was giving me the gift
Made tears of joy
To roll down my cheeks

The love I have for you
I cannot describe it
Since childhood
I have been admiring my uncle's brown guitar
Wondering whether time will come
To own one as well

Dear nephew
I have been watching you every day
Sneaking into my room
Just to look at my guitar
You have been nodding your head
To the soothing melodies of my guitar
I have decided to gift you with one
