Even the hens are taking care of their chicks
Even the goats are taking care of their kids
The beasts and the birds of the air,
All are taking care of their young
But you, man, the summit of all creation
Have neglected your own
Why on earth, must an innocent child be left to suffer?

Attention, attention, attention!
Where is the love, where is the attention?
I say where is the love?
The love that my grandmother gives me whenever I visit her in the village.
The songs and the stories she taught me, all are gone!
Oh God have mercy on us.

Shame, I say shame, total shame on you!
Look at that child, an innocent girl who has every right to love and guidance.
Is being left to suffer with her homework alone
While on the contrary, the parents are busy watching television
Busy like a bee, chatting on their smartphones!
Oh God, have mercy on us.
